Employment Service

Are you looking for a job either full time or part time? A.P.T. provide a Placement Service that will:

- Help you to decide the type of work you wish to do.
- Assist you in finding suitable employment.
- Provide support and advice during the initial stages of employment.
- Help you to prepare for interview.
- Organise work experience where necessary.
- Identify relevant employment incentives for you, e.g.:
 - FÁS Employment Support Scheme.
 - DSW Back to Work Scheme.
 - FÁS Job Start.

On-the-job Training

Would you like to work but feel you first need training?

'On-the-job' training programmes are provided by employers in co-operation with A.P.T., with the objective of employment for each trainee. This initiative links employment and training.

A.P.T. can assist you through:

- Career advice.
- Job matching.
- Sourcing a training company.
- Designing an Individual Training Programme to suit your requirements.
- Providing support during training.
- Providing an employment placement service on completion of training.

While you are in training:

- A training allowance will be paid.
- Travel allowance will be paid to those who qualify.
- During training you will retain your statutory Social Welfare benefits.

The above Programme is funded by FÁS under the National Development Plan (NDP)
